FAQs

Q. Does achievement of this qualification makes my business, venue or event compliant with the Terrorism (Protection of Premises) Act 2025 (also known as Martyn's Law)?

Compliance is about more than this, however this qualification provides an excellent foundation of knowledge from which organisations can develop a CT risk assessment and preparedness plan as outlined in Martyn's Law.

Q. Is this qualification the same as the Competent Person in the Workplace qualification announced on Protect UK?

A. Yes – Skills for Justice were chosen to deliver the Competent Person in the Workplace qualification. The official title for the qualification is: Level 3 Award in Counter-Terrorism Protective Security and Preparedness.
